► Flexibility & Choice

Financial safekeeping

Although not FDIC insured, MYG Match is backed by the financial strength of American National. Rated A or higher by A.M. Best for over 80 years with a long-standing reputation for integrity and financial stability. This company has a history of serving over 5 million policyholders and shareholders over the course of a century.

Tax-deferred growth

This product allows for tax-deferred growth until you need the money from your annuity.² While it is growing tax-deferred, you will receive compounded interest on the entire amount in the annuity and not on the after tax amount as you would with taxable products each year.³

Annual effective interest rate

It pays an annual “effective interest rate” based upon compounding of both the principal and interest. Interest will be credited to the annuity, compounded daily, based on a 365 day year. Any withdrawals, including interest-only withdrawals, will reduce the amount of interest credited to your contract.

Money access

Withdrawal privileges offer peace of mind in knowing your money is not out of reach.

Every contract year, you can withdraw up to 10% of the beginning of year annuity value free of surrender charges and adjustments.⁴

Access when needed most

For those unexpected health care events in your life, Palladium[®] MYG provides a Confinement Waiver, Terminal Illness Waiver, and a Disability Waiver that allows you to have access to your money without any surrender charges, or any applicable market value adjustments.

Asset protection

You can name individual beneficiaries thereby bypassing probate and the expenses that go with it. Should you die, you can pass the full value of your Palladium[®] Match MYG to your beneficiary free of any surrender charges or additional expenses that could deplete your request.
