Financial strength

NYLIAC holds the highest ratings for financial strength currently awarded to any U.S. life insurer by all four major independent rating agencies:¹³ A.M. Best: A++; Fitch: AAA; Standard & Poor's: AA+; Moody's Investors Service: Aaa.

- ¹ May not be available in all jurisdictions. All guarantees are based on the claims-paying ability of NYLIAC.
- ² Tax-qualified retirement plans already provide tax deferral under the Internal Revenue Code, so the tax deferral of an annuity does not provide any additional benefit.
- ³ Interest rates are effective annual yields.
- ⁴ Withdrawals may be subject to regular income tax and, if made prior to age 59½, may be subject to a 10% IRS penalty. Surrender charges may also apply.
- ⁵ Death benefit payments are dependent upon the claims-paying ability of NYLIAC. To elect Spousal Continuation under joint ownership, “surviving spouse” should be designated as the sole primary beneficiary prior to the annuitization date, or the contract will end and any death proceeds will pay out to the named beneficiary at the death of either owner.
- ⁶ This rider is automatically added to all policies with an issue age of 85 and younger. There is a minimum accumulation value of \$5,000 to be eligible to receive these benefits. Available in jurisdictions where approved and subject to eligibility requirements. Some states may offer the rider under a different name, and benefits may vary. Benefits do not apply if the policy is annuitized, and benefits are subject to the terms of the rider. Withdrawals may be taxable and, if taken prior to age 59½, may be subject to a 10% IRS penalty. For disability under this rider, withdrawals or full surrenders made on or after your 66th birthday are not eligible for this benefit—applicable surrender charges will apply.
- ⁷ Each rider may not be available in all jurisdictions, issue ages or plan types. Some states may offer a rider under a different name, and benefits may vary.
- ⁸ Some states may offer the rider under a different name, and benefits may vary.

- ¹⁰ The Enhanced Beneficiary Benefit Rider is not available on Traditional IRA, Roth IRA, Inherited IRA, and SEP IRA policies. This rider will end if the policy is surrendered, if the income payments have begun, if ownership is transferred, or if the policyowner’s spouse continues the policy upon the policyowner’s death.
- ¹¹ Rates are subject to change prior to issue, but will not change while the policy is in effect. No payment will be made under this rider if your policy does not have any gains.
- ¹² This charge is locked in at the time of purchase and will not change while the policy is in effect. A charge of 0.75% will be deducted from the policy value each policy quarter based on the accumulation value as of that day. The charge is subject to change at any time for newly issued policies but will never exceed 1% annually.
