Annuities are meant to provide funds for retirement and are considered to be long term. See *Annuity Buyer's Guide* posted on our website www.isdafinancial.com.

Note: If an Owner other than the annuitant purchases the annuity, that Owner shall have control of the annuity contract issued until ownership is transferred to the annuitant.

Thereafter, the credited interest rate is subject to periodic review by ISDA and may change from time to time. The ISDA board of directors may declare a dividend which is also a non-guaranteed element.

3. At settlement, the interest rate payable on the periodic income option selected by the Annuitant shall be as established by ISDA, but not less than your minimum guaranteed interest rate. See the Annuity Buyer's Guide (posted on our website www.isdafinancial.com) for a complete description of the periodic income options, also referred to as settlement option or income payment option.
